

**REPUBLIC OF KENYA**  
**COUNTY ASSEMBLY OF KIAMBU**  
**THE HANSARD**

**Tuesday, 25<sup>th</sup> September, 2018**

The County Assembly met at the Assembly  
Chamber at 2.30P.M

*(The Assembly Speaker (Hon. Stephen Ndicho) in the Chair)*

**PRAYER**

**COMUNICATION FROM THE CHAIR**  
**PLANNED SIGNING OF THE MOU BETWEEN COUNTY ASSEMBLY AND**  
**EASTERN AND SOUTHERN AFRICAN MANAGEMENT INSTITUTE**  
**(ESAMI)**

**The Speaker,** (Hon. Ndicho): Hon. Members, one of the primary responsibilities of the County Assembly Service Board as specified under Section 12(7) (e) of the County Governments Act is performing functions necessary for the well-being of the Members and staff of the County Assembly.

In fulfillment of the above function, the County Assembly wrote to the Eastern and Southern African Management Institute (ESAMI) requesting to sign a Memorandum of Understanding (MOU) geared towards offering training programmes for Members and staff of this Assembly. I can happily report that the response was positive with the first formal meeting between the ESAMI representatives and the Assembly having taken place yesterday Monday, September 24, 2018 in the County Assembly Offices.

Honorable Members, the focus of the meeting was to establish a working relationship and modalities of actualizing the signing of the MOU which will see Members and staff being trained both inside and outside of the Assembly at subsidized fees. The signing of the MOU is expected to take place in Arusha, Tanzania preferably coming week.

## **CAK/122/09/2018(1)COUNTY ASSEMBLY OF KIAMBU DEBATES 2**

---

Honorable Members, in view of the new developments, it is proposed that a delegation of four (4) Members of the County Assembly be constituted to represent the Assembly in Arusha during the signing of the MOU. The delegation may include:

- (i) 1 representative of the County Assembly Leadership;
- (ii) 1 representative appointed from among Specially Elected Members; and
- (iii) 2 representatives nominated in a consultative process by the sixty elected Members of the County Assembly and to be communicated by the Member's Services, Facilities and Welfare Committee.

Honorable Members, the purpose of this Communication is therefore to notify you of the above development and request the relevant Members to expedite the nomination of their respective representative(s); and further request that the names of the successful nominees be forwarded to my Office by close of business Thursday, September 28, 2018.

ESAMI, Hon. Members is a Government Institution that helps to identify and to train Members of County Assemblies and even the National Assembly on various programmes and needs that arise. This Institute is an inter-government as I have said and because Government of Kenya pays fees to it and therefore, it is an Institution that is formidable, competent, acceptable and recognized by the Government.

This will be a sure way of ensuring that Members go for the foreign trip to their destinations. Actually, they do not determine the destination where the Members want to go for those trainings. It is the Members themselves of the Institutions to be trained that determine the destinations of the trainings and after the training is done the Members are issued with certificates.

It is also a sure way of making sure that the processes and hardships that were there before are kind of eliminated. So that our Members will not be missing formidable training and therefore questions that were raised from the Devolution Ministry and such other areas will be eliminated.

So, we hope in the new financial year we are going to be better that it was last year by engaging these institutions which is an Inter-governmental institution and it is also funded by the same Government and therefore it stands the test of time.

Hon. Members, it is important to bring to your attention that we decided to look for this kind of an institution to help us to train you better and take you to places where there will be value for money both for yourselves and the Government.

Thank you very much next order!

Vice Chairperson?

*(Vice Chairperson Absent)*

I can see Hon. Thithia is not in the House! Any Member of this Committee? Leader of Majority? You are a Member of all these Committees! But this is very serious because the Chairperson is not in, the Vice Chairperson and Members, no one is taking the responsibility! And you know that this is very important!

So, Leader of Majority!

**Member, Public Service and Administration Committee, (Hon. Ikonya):** Mr. Chairperson, I will act on behalf of the Chairperson of this Committee despite the fact that he had not designated me to act on his behalf despite the fact that he was very much aware of the fact that this very Bill is a private member's Bill.

It is my Bill and fortunately I belong to the Committee on Public Service and so I am stepping in on the basis of that alone but it is quite unfortunate that the Chairperson and the Vice Chairperson would deliberately miss such an interesting Sitting where the actual drafting of Law is done but I will stand in for them.

The proposal was on Clause number?

**Chairperson, Committee of the Whole House, (Hon. Kimani):** Clause No. 4.

**Member, Public Service and Administration Committee, (Hon. Ikonya):** Mr. Chairperson, I propose that Clause Four be amended by deleting the word "stadium" appearing immediately after the word "park" and replacing it therefor with the word "stadia".

### **THIRD READING**

#### **THE KIAMBU COUNTY ENFORCEMENT BILL, 2018**

##### **A Bill for**

An Act of the County Assembly of Kiambu to establish a legal framework for enforcement of the County and other relevant Legislations and for connected purposes.

**The Speaker, (Hon. Ndicho):** Yes Leader of Majority

**Member, Public Service and Administration Committee, (Hon. Ikonya):** Thank you Hon. Speaker, I wish to beg the Chair with the discretion that you have in the Standing Orders to just allow me to commend the House for the great work that it has done and probably give a brief preview from where we have come from with this Bill, if you do allow.

**The Speaker, (Hon. Ndicho):** very well, all that ought to have been said during the Second Reading of the Bill...

*(Consultations)*

Very well, I have consulted widely and it is my pleasure and discretion actually to allow the Leader of Majority to make his remarks concerning the passage of the Bill.

**Member, Public Service and Administration Committee, (Hon. Ikonya):** Thank you Mr. Speaker and of course I shall not delve into the Bill as was deliberated upon during the Second Reading where we ought to have discussed the Bill as it was then.

But Mr. Speaker, I must say that we have come from far as a County. Looking back at those days, when the County would do things without any legal standing or form of legislation to support its actions.

Mr. Speaker, we have lived in days when enforcement officers could just get into a premise and confiscate things without any basis in Law and they would even beat people. So, it is very bad and it has been a burden to me towards ensuring that we have a legal standing that defines what the rights of the traders within the County are and what are the rights of the enforcement officers?

This piece of Legislation will now define which role all of us should play. And again, we need to have education background that conforms to the work that is defined in this Bill. I am sure and I hope that the Governor will assent to it so that it becomes an Act.

Mr. Speaker, from now going forward, we need to now have a legal standing and some form of Legislation upon which we will now enforce. And I think it should now be clear to everybody within the County that you will not be caught when we move into your premises when the enforcement officers want to ensure that payments are made with regard to all the prerequisite documents that should be paid for.

So, I want to commend the Members of this House and state that it has been a long journey and say that it has taken me a lot of time in trying to draft this Bill. I want to thank our very able secretariat, I want to thank M/s Lillian in particular and everyone that came on board. There are so many times that I consulted with Members of this House, including the Speaker, the Governor and everybody to just put this piece of Legislation upon which this County can build a legal framework that can enforce on various issues that affect the County.

So, I want to most sincerely thank every person in this House for giving a nod to this Bill just to ensure that we have dispensed with it as an Assembly. I will now leave to the Governor to assent to it so that it becomes Law and we start using it.

I think it is time we brought some order and sanity within our enforcement units and this Bill will go a long way towards defining the same.

Once again Hon. Members, I think you very much and may the good Lord almighty bless you. Thank you. Mr. Speaker.

**The Speaker, (Hon. Ndicho):** very well, next Order!

### **ADJOURNMENT**

**The Speaker, (Hon. Ndicho):** Hon. Members, there being no other Business, this House stands adjourned until Wednesday September 26, 2018 at 10.00 A.M

The House rose at 3.15 P.M
